Here is another card that Gilles and Claire received when they asked for written comments or questions at the community meeting.

Maskwa Town Hall Suggestion Card

Date: April 5, 2016

Message:

Hi Claire and Gilles!

I was thinking it might be a good idea to have some bear safety at the festival, especially since there will be a lot of food and garbage. How about getting some of those things that make noise that only bears can hear? The bears will stay away and the “noise” won’t bother the musicians and bands. What do you think?
